BOOK SYNOPSIS

Mitch Rapps cover has been blown. After leading a team of commandoes deep into Iraq, he has been publicly hailed by the president as the single most important person in the war against terrorism. After years of working covertly behind the scenes, Rapp is now in the glare of the public spotlight, marked by every terrorist from Jakarta to London, who now know his identity. Consequently, Rapp is resigned to leaving the front line. That is, until a platoon of Navy SEALs on a covert mission to the Philippines suffers a surprise attack. All evidence concludes that the source of the missions leak lies in the US State Department and the Philippine embassy. But a greater threat still lurks - an unknown assassin working closely with the highest powers in the Middle East bent on igniting war. Now, with the world probing into his every move, will Rapp be able to overcome this anonymous foe and once again protect the world from the threat of international terrorism? The new Vince Flynn novel, *The Survivor*, will be published in autumn 2015!
