BOOK SYNOPSIS

Straight from the library--the strange and bizarre, ready to be checked out! From a patrons missing wetsuit to the scent of crab cakes wafting through the stacks, I Work at a Public Library showcases the oddities that have come across Gina Sheridans circulation desk. Throughout these pages, she catalogs her encounters with local eccentrics as well as the questions that plague her, such as, "What is the standard length of eyebrow hairs?" Whether shes helping someone scan his face onto an online dating site or explaining why the library doesnt have any dragon autobiographies, Sheridans bizarre tales prove that shes truly seen it all. Stacked high with hundreds of strange-but-true stories, I Work at a Public Library celebrates librarians and the unforgettable patrons that roam the stacks every day.
