BOOK SYNOPSIS

Pat Conroy's New York Times–bestselling Southern drama about the destructive repercussions of keeping an unspeakable family secret Tom Wingo has lost his job, and is on the verge of losing his marriage, when he learns that his twin sister, Savannah, has attempted suicide again. At the behest of Savannah's psychiatrist, Dr. Susan Lowenstein, Tom reluctantly leaves his home in South Carolina to travel to New York City and aid in his sister's therapy. As Tom's relationship with Susan deepens, he reveals to her the turbulent history of the Wingo family, and exposes the truth behind the fateful day that changed their lives forever. Drawing richly from the author's own troubled upbringing, *The Prince of Tides* is a sweeping, powerful novel of unlocking the past to overcome the darkest of personal demons—it's Pat Conroy at his very best.
